to the Government of His Highness
Maharaja of Mysore

Sir,

In tendering my thanks to you for
your kindness in sending me to undergo
a course of training in the
Accountant General's Office there, I
venture to submit that a course of
training in the Offices of the Examiner
Public Works, Railway, and Military
Accounts will not only be beneficial
to me as it will enable me to have
a complete training in all the branches
of the Account System, but also will be
advantageous as my services can be
utilised in any branch of the Local
Account Service.

2. If further be added
there will be no additional cost
imposed upon the Government, as
I will draw only the allowance that is
now admissible to me. All that I

my period of deputation and to include the work in the Office of the Examiner Public Works, Examiner Railway, Controller Migrations and Pay Examiner also within the scope of my training.

3. I therefore beg that you will be so kind as to move the Government and obtain their gracious sanction to allow me to undergo the additional training referred to above after my training in the Accountant-General's Office.

Yours faithfully,
Sir,

Your Most Obedient Servant
